Enter home page and sees two options which lead to different features, click on “Pick a Scenario” button

Click on Pick a Scenario button

The screenshot shows the "Scenario Practice" page. At the top, there is a navigation bar with links: "Fun-emes", "Home", "Scenario Practice", "Self Practice", and "Your Profile". On the right side of the bar are links for "Login", "Register", and the user name "garyxian26". The main heading is "Welcome to Scenario Practice". Below this, a text prompt says: "First, to gauge your environment and give you sentences like you will more likely encounter, please tell us your occupation:". There is a dropdown menu currently showing "Highschool", followed by a text input field labeled "Add an occupation" and a "Submit" button. Another text prompt follows: "And now, please tell us the scenario that you wish to prepare for:". Below this is another dropdown menu currently showing "Classroom (student)", followed by a text input field labeled "Add a scenario" and a "Submit" button. At the bottom of the form is a "Generate Sentence" button.

Chooses personal occupation and scenario from the dropdowns, submit a request for new occupation/scenario if system does not already have, otherwise click on Generate Sentence button

The screenshot shows the 'Fun-emes' web application interface. At the top, there is a navigation bar with links: Home, Scenario Practice, Self Practice, Your Profile, Login, Register, and a user profile 'garyxian26'. The main content area has a form with the following elements:

- A text input field labeled 'Add an occupation' and a 'Submit' button.
- A prompt: 'And now, please tell us the scenario that you wish to prepare for:'.
- A dropdown menu showing 'Classroom (student)' with a downward arrow.
- A text input field labeled 'Add a scenario' and a 'Submit' button.
- A 'Generate Sentence' button.
- A section titled 'Repeat After Me...' with the text 'I have to study for my AP Calculus test.'
- A section titled 'Listen to the sentence:' with a 'Live Broadcast' button (containing a play icon, volume icon, and a small window icon) and a 'Record' button.

Sees the sentence pulled from database, can listen to the sentence first to by playing the audio on the bottom left, then click record to begin recording response (Record button turns green while recording)

This screenshot shows the same 'Fun-emes' web application interface as the previous one, but with a key difference: the 'Record' button at the bottom is now highlighted in green, indicating it is active or recording. All other elements, including the navigation bar, form fields, and the 'Repeat After Me...' section, remain the same.

Page refreshes and Evaluate button appears, click on Evaluate button and see the the scoring of the pronunciation
